...from Pastor Kevin

Fred Craddock once told a parable about a man who moved into a cottage equipped with a stove and simple furnishings. As the sharp edge of winter cut across the landscape, the cottage grew cold as did its occupant. He went out back and pulled a few boards off the house to kindle the fire.

The fire was warm, but the house seemed as cold as before. More boards came off for a larger fire to warm the now even colder house, which in return required an even larger fire, demanding more boards. In a few days the man cursed the weather, cursed the house, cursed the stove, and moved away.

The futility that man felt is the futility of those who try to live the Christian life without Christ. He is the Word that was in the beginning with God and was God. And he is alive today. To those of us who are drowning he is someone we can hold on to. He is someone who can set our feet on dry ground again in this New Year.

...from Pastor Ron

Beginning at 5:30 Sunday night, January 11th, we began a 12 week study entitled “The Truth Project.” That first night we had 51 in attendance. If you haven't been yet but would like to come, you are welcome at any time.

For those of you who are not familiar with this study, it is an in-depth Christian worldview experience put on by Focus on the Family. Dr. Del Tackett is the video teacher. Each lesson is composed of a video teaching of approximately one hour followed by 30 minutes of discussion.

Following is a brief introduction to the contents of this study: “The Truth Project” points out that you and I are engaged in a cosmic battle — a battle that is raging for the hearts and minds of people the world over, pitting the truth claims of God against the lies of the world, the flesh and the devil. It is a battle over what you and I truly believe.

“The Truth Project” is designed to build a systematic and comprehensive biblical framework by studying God's blueprint for all of life. But even more so, it is intended to be an encounter with God as we endeavor to gaze upon His face and seek to know Him more deeply. Because it is there, and only there, that we find true transformation – a metamorphosis that will renew your mind and heart and equip you to resist conforming to the world (Romans 12:2).

It's a great study and we invite you to join us on Sunday nights from 5:30 to 7:00 PM.

In His Name,

Pastor Ron
